PRESS RELEASE

IHRA sealed nine healthcare establishments during inspections

ISLAMABAD: The Islamabad Healthcare Regulatory Authority (IHRA) has sealed nine Healthcare Establishments (HCEs) in different areas of Islamabad Capital Territory.

IHRA inspection teams carried out inspections of 55 Healthcare Establishments (HCEs) in different areas of ICT during the past two weeks. 10 HCEs were visited for compliance of COVID-19, Dengue and Heat Stroke patients check-list.

Alfalah Lab, Perfect Medical Center, Chughtai lab collection center, Iftikhar dental clinic, Khan Homeopathic Clinic, Al Khidmat Medical Centre and Saleem Dental Care were sealed due to different malpractices like not getting registered with IHRA, keeping expired kits and reagents, and unqualified staff rendering medical services.

Ayat Zahra Rehabilitation Center was partially sealed for non-submission of fine while X-Ray department of Medcare hospital was sealed due to absence of qualified staff.

Family Health Clinic & Shah Pharmacy and Al-Samad First Aid Center services were suspended for keeping expired blood test tubes and not getting registered with IHRA.

19 healthcare establishments were served notices for different non-compliances and instructed to comply with the directions given by the inspection teams. Five HCEs were recommended for registration and revocation of suspension. 10 healthcare establishments were found closed at the time of visit by inspection teams.
